SUBJECT: AUSTRALIA'S IMPLEMENTATION OF THE DUAL USE ITEM  
PROVISION OF UNSCR 1803

REF: A. STATE 29464

[B](#). STATE 29096

[C](#). CANBERRA 301

Classified By: Political Counselor James F. Cole for reasons 1.4 (b) and (d).

[1](#). (SBU) We presented Ref A demarche and non-paper to Valerie Grey, Director for Arms Control, and Peter Scott, Director for Sanctions and Transnational Crime, Department of Foreign Affairs and Trade, on March 25.

[2](#). (C) Our GOA interlocutors welcomed the points and non-paper. Grey assured us that Australia was committed to robust implementation of the dual use provisions of UNSCR 1803 and confirmed the NSG dual use item list was incorporated into Australia's export control system.

[3](#). (C) Scott provided us with a copy of Australia's export control list, which had been updated on March 13. The list (Charter of the United (Sanctions - Iran)(Export Sanctioned Goods) List Determination 2008), which had been compiled partly based on the EU export control list, is available on the website of Australia's Federal Register of Legislative Instruments ([www.frli.gov.au](http://www.frli.gov.au)), along with other recent legislative and regulatory changes designed to further define and strengthen Australia's implementation of UN sanctions, particularly related to Iran. (See also Ref C, which reports on Australia's implementation of financial provisions of UNSCR 1803, including associated legislative and regulatory changes, that entered into force on March 24.)
